Personal Profile

A Master's engineering student at the ECAM LaSalle University, undertaking a Computer Science and General Engineering course. Apart from my studies, I am a creative web developer with a passion for blockchain. With two years of experience in web2 and one year in web3, I am able to create scalable web3 decentralized applications. I am looking for a Full-Stack Blockchain Developer Internship of 4months from May 9, 2023.

Skills

Hard Skills Solidity, HardHat , IPFS , ethers, NextJs, React , React native , TypeScript , NodeJs, Git, Figma.

Soft Skills Agile, Teamwork, Project management, Communication, Creativity.

Projects

BrokeAsses ➜

NFT dApp of 1k NFTs   *Aug 2022 - Sept 2022*

- NFT minting dApp made for learning purposes on the ethereum blockchain.
- Solo project, I designed, coded the frontend, smart contracts and the interaction with the blockchain.
- The goal was to test my new skills in solidity.
- **Technical Skills:** Solidity , NextJs , IPFS , TypeScript , Figma.
- **Soft Skills:** Project Management.

Sparkies NFT Marketplace ➜

+3.8k users, +76.3k NFTs, +20k $ trading volume   *Feb 2022 - Now*

- NFT Marketplace, buy, sell, trade and even create your own NFTs on the Velas Blockchain.
- The Marketplace launched with a secret NFT collection (500 NFTs sold).
- As part of a team of four, my missions were: UI / UX design, Frontend development, Smart contracts integration, Community management (twitter, telegram and discord).
- **Technical Skills:** Solidity, NextJs, IPFS, TypeScript, Figma.
- **Soft Skills:** Agile method, Leadership, Teamwork, Community management.

CryptoBroke ➜

666 NFTs sold out in 6 days   *Nov 2021 - Jan 2021*

- NFT Collection representing investors who lost a large amount of money in the crypto-currency market. The collection is on Velas Blockchain.
- In a team of three, my tasks were: UI / UX design, Frontend development, Smart contracts integration, Community management (twitter, telegram and discord).
- **Technical Skills:** Solidity, NextJs, IPFS, TypeScript, Figma.
- **Soft Skills:** Agile method, Leadership, Teamwork, Community management.

Education

ECAM Lasalle   *Strasbourg, FR*

MSc in Computer Science and General Engineering   *2019 - 2024*

- General engineering school.
- Student entrepreneur status.
- **Courses:** Web Development, Database, Software Engineering, Project Management, Mathematics, Physics, Electronics and Mechanics.

Interests

Gym I love pushing my self to new limits. Going to the gym five times a week since one year, it is my best moment to find new ideas.

Basketball Playing basketball for 8 years, it helps me to develop my communication skills and my teamwork.

Reading I love reading books on personal development and financial literacy. My favorite is The Compound Effect by D. Hardy.

Podcasts I also enjoy listening to business podcasts while driving to school. My favorite is My First Million by The Hustle.
